Topics

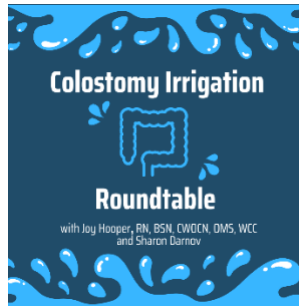

- Welcome and Introductions

- The Roundtable's Mission Statement:
The Colostomy Irrigation Roundtable is here to empower and support individuals who irrigate around the world. We're all about building a warm, welcoming community where you can connect with others, share experiences, and learn from one another. Through our bi-monthly meetings and open conversations, we aim to make colostomy irrigation easier to understand, while fostering meaningful global connections. Our mission is to create an inclusive space where everyone can grow, gain confidence, and make informed choices—all to enhance their quality of life and irrigation journey.

- The Roundtable's Target Audience:
 - Current individuals who already irrigate
 - Ostomy specialists

The purpose of this meeting is not to instruct colostomy irrigation. Always consult with an ostomy specialist or healthcare provider for proper instructions and to address any concerns.
